Good bread—why not? You've been used to eating breadmade the hard way. It has been pretty good bread—but not the best bread. The really best bread is made with Crusto.

Not a substitute for lard but better than lard. In the first place it is flavorless, tasteless and odorless—it is pure and sweet. It acts as the binder, enrichener and shortener that you've used lard for—but it does it all better. We can't describe it further. Try it and taste the description.

## LAST M'DONALD SUSPECT HERE

"Baldy" (W. H.) Seale Placed in Jail Without Bond to Await Hearing for Murder

Baldy" Seale, the last of the four McDonald slayers who yet remain to be tried, was placed in the county jail on his arrival with Deputy Sheriff W. D. Witcher late Thursday night to await his formal arraignment on the charge of murder.

The "catch" made by Witcher in the preceding state is considered by his officers to be due to his cleverly made traps. Witcher has been on Seale's trial since last March and this does not cover every state in the southwest. Once he has informed against Witcher that fully believes that his man located and he would only fail to find that his quarry had become alarmed and eluded him by six hours.

Sealed times since rumors began to the ears of the waiting attorney to prove without foundation. The ones which were turned out however, in the southwest, however, to gain drew to the men that was sealed, and Seale was arrested in Dallas, Tex., a week ago. Witcher hastened to bring his long-sought proof after obtaining Seale's signature to an extradition warrant. At the time of his arrest, Seale was preparing to sail for South America and had a money order and check of large dimensions in his possession ready for spending. He has refused to make any statement since his arrival.

### FIRE LOSS \$5,225

The first departmental water cuts were during the month of September 1, 1914, which were due to fire alarms, and the others from other causes. The total fire loss for the month was \$5,225, of which the largest individual loss was the destruction of the skating rink at 6th East First Street on number 7 estimated at \$3,000. Following fire cuts were put out by hand hose on for blazes in buildings, two for grass fires, and two for fallen trees. Three false alarms were turned in during the month, and three cuts made to cut off water.

The August destruction by fire was \$55, the total from 26 alarms noted in the month. The fire loss for September of last year was \$4,450, 27 alarms being turned in but the date was "uncertainly and inaccurately given."

### Animals to Match Your Furs

MISS ASTRID JASON AND HER PET FOX.

Miss Astrid Jason and her pet fox.

NEW YORK, Oct. 1.—The tail of the moment in furs is that of having a pet fox to match the tail which wears the raccoon New York at last. Well known actress in Paris has been the recipient of the favor with her gorgeous gown, powdered face and still more wonderful collection of strange pets.

Critics on Fifth Avenue are being treated to a sight, when Miss Astrid Jason, clad in a black velvet gown trimmed with fox fur muff, mitten and bonnet, walks down New York's most fashionable street, bunting a little red fox, which exactly matches her fur on a town.

Of course it creates a little excitement, but Miss Jason and the fox skin is really the most droll of pets, as it seems to mind its business.

The fox evidently is content to bark, however, after saluting, etc., but what about the young ladies who wear seal skins?
